Jiffy[®] Protective Mailers

Protective Shipping Products

Packaging Solutions For Small Parcel Shipping For Over 50 Years

Jiffy® Brand

The First Name In Protective Mailers

Jiffy Mailer® Products have been recognised by shipping professionals as the standard of excellence for quality in protective mailers for over a half century. Produced according to world-class standards, these products represent the most complete line of cushioned, non-cushioned and rigid protective mailers.

Jiffy Mailer® Products have earned the confidence of small parcel shippers in a diverse array of industries such as:

Mail Order • Fulfilment • Publishing • Computer & Electronics • Automotive • Audio & Video • Office Supply Parts Distribution • Pharmaceuticals • Premiums & Policy Documents • Health & Beauty • Graphic Arts

With Jiffy Mailer® Products, it's easy to select the optimum packaging solution when shipping low profile items. The chart below can be used to select the right mailer for your application.

Jiffy® Mailers... A Cost-Efficient Alternative to Corrugated Cartons.

Discover the advantages of Jiffy® Brand, the first name in protective mailers.

Reduce Postage Costs... Lightweight Jiffy® Mailer Products are less expensive to mail than heavier corrugated cartons, especially if void fill materials are used.

Reduce Labour Costs...

Jiffy® Mailer Products require fewer packing steps and eliminate the need for dunnage and carton setup.

Reduce Inventory Requirements...

Jiffy® Mailer Products store flat and do not need extra void fill and cushioning, minimising material costs and valuable warehouse space.

Increase Customer Satisfaction...

Jiffy® Mailer Products provide superior protection with no waste, no mess or lost items. Their premium appearance enhances corporate image.
